

St. Nicholas PS

is making improvements in 25/26...

Our aims:

- To be **successful learners** by working together as a team, creating a school with a spirit of love where everyone tries their best
- To be **confident individuals** with growth mindset, developing a positive attitude in all that we do.
- To be **responsible citizens** who care for others by looking after each other, our community and our planet
- To be **effective contributors** who make choices about our class and our school, preparing us for our adult lives.
