PEF CONSULTATION

COSD SWAY

Cost of the School Day 2026/27

Pupil Equity Funding
2026-27
Total Funding: £40, 425

Our Priorities

Skilfully deploy additional staffing resources to positively impact attainment

Build on the success of our universal equitable approaches.

Develop our pupil-led approach to reducing the cost of the school day

Develop our curriculum in line with meeting learners needs

Continue our relentless focus on attendance and engagement

Develop our approaches to supporting care experienced children and young carers

What will we do?

With a focus on identified learners, continue to build capacity in staff through partnership with speech and language therapy and research-based targeted interventions.

Further embed equitable practise within staff, in line with next steps identified from equity thematic review.

Develop a family learning approach to highlight available supports to children and families.

Build on the achievements of the parent consultative group in-line with local authority priorities

By building on our positive attendance work to build a whole-school culture to support children and families who struggle to attend school

Engage with partners to inform our approaches to supporting care experience children and young carer says to support.
